Re: Pearl Bahmer.

Interviewed Attorney William D. Lanberry, Room 25,  
40 Paterson St. relative to any knowledge he might have concerning  
P. B. and her present address or whereabouts. Said he has not seen  
or personally heard from her since he appeared as counsel through  
her father. Could offer no suggestions or possible lead that might  
furnish this information. In my presence he phoned Attorney Paul  
Swing at his office, 390 George St. to learn if he had at any time  
been in direct communication with P. B. and knew of any way she might  
be located? Mr. Swing told him he had not the slightest notion  
and could offer no suggestions.

Respectfully submitted,

Thomas L. Harrison.
